POST 757 COLTS ALUMNI

Big shout out to the most recent Post 757 Alumni to sign up on the website: Matt Trainer. Trainer played for the Colts 1989-1991 for coaches Bob Crabtree & Bret Mavis. Trainer continued his academics and baseball career at the University of Illinois & Ohio University.

We need **YOUR** help as one of our program goals for 2015 is to get in touch with former Post 757 Colts players & coaches.

Please help spread the word, there is a [sign-up form](#) that can be found on the Post 757 Colts Website by searching for "alumni" in the search box at the top of the site. Check out the [current list](#) and [sign-up](#) if you haven't yet!

CHILICOTHE 757 COLTS

NEW COLTS ALUMNI IN MILITARY

BARRY ALLEN—NATIONAL GUARD

2013 Zane Trace Graduate and Post 757 shortstop Barry Allen has signed up for the National Guard. Barry left for Jackson South Carolina March 9th where he is currently completing his basic training. After graduating basic training on May 21st Barry will be off to Gulfport Mississippi to complete an AIT in carpentry/masonry. Please keep Barry and his family in your prayers.

LAYNE STOCKHAM—AIR FORCE

2014 Huntington graduate and long-time Post 757 RHP & utility player Layne Stockham will be shipping off to San Antonio Texas for basic training on May 19th. Layne will continue his training in Aerospace Ground Equipment after graduating basic. Please keep Layne and his family in your prayers.

MAVIS BACK IN THE GAME

There's a familiar face leading the Ohio University Chillicothe Hilltopper baseball program this spring as Post 757 alumni Bret Mavis gets back in the coaching game. This is the second stint at OU-C for Mavis as he previously was at the helm for 3 years in the 1990's.

Mavis starred for Post 757 in the late 70s leading the Colts to 3 consecutive district titles and went on to pitch 4 years at the collegiate level with the Marshal Thundering Herd. Mavis, a Post 757 Colts hall of famer, led the 2014 Post 757 Colts to an Ohio Region 5 runner-up finish and will return as an assistant coach for the 2015 club where he will work with all pitchers in the Post 757 Program.

WINTER COLTS GEAR — TAKE 2

POST 757 ALUMNI GAME

The Chillicothe Post 757 Colts baseball team has announced dates for the 2015 Alumni Game on Sunday, June 7th at JW Hoffman (Post 757) Field. Former players & coaches who would like to participate in the Alumni Game should contact Post 757 Head Coach Tom Barr (via [email](#) or 740-703-1184).

The day's events are being planned out now and will vary dependent on the number of Alumni that wish to participate. Again, we are still in the planning stages but wanted to get the dates out ASAP. We want to set this up so Alumni can take bp & infield prior to the game.

Options being discussed include:

- Option A: If we have enough players to field two alumni teams we will have the oldest 2 players present select their team with the oldest player getting first pick among alumni players participating.
- Option B: If we have enough players to field one alumni team, we will have the Alumni play the 2015 Post 757 Colts Team.
- Option C: If we have enough players to field one alumni team but want to “blend” the players together we will have a Sandlott style game with the two oldest players selecting Alumni players first and then selecting players from the 2015 Post 757 Colts Team.

As an organization, we are looking to create a program that our alumni will be proud of, a program that will be competitive and a program that can connect with its alumni base.

OUR GOAL

OUR GOAL IS TO PROVIDE A LIGHTED FIELD and other needed improvements to Hoffman Field for baseball tournaments, softball tournaments for women, Ohio University baseball, high school, junior high and American Legion Baseball.

THE HOFFMAN FIELD RESTORATION PLAN will improve the existing facility that was built in 1970. Adding lights to the field will be the top priority as the use of lights will increase field availability. Other planned improvements may include new dugouts, additional seating for fans and field surface work to enhance drainage.

THE FUNDING FOR THIS PROJECT comes from both the private and public sectors with a common goal of bringing events that otherwise would not come to the Chillicothe community.

The full-sized baseball diamond is located in the southeastern corner of Mary Lou Patton Park, which already boasts two lighted youth-sized diamonds. The only full-sized baseball fields with lights can be found at VA Memorial Stadium and Bolmer Field in Yoctangee Park.
